Mr. Howard Chitty
8th Street
Mitchell, Indiana

Dear Mr. Chitty:

I am wherewith returning to you the Chitty family manuscript that you so kindly loaned to me.

I have enjoyed copying this and will take the copy to the Indiana State Library where it will be housed in the Genealogical Division. You will receive a note of thanks, from that division, as a donor to the library. These unpublished records are valuable and the library makes every effort to procure any that are available.

I spent all Tuesday at Bedford in the Court House and found several Chitty marriage records as well as several Bundy ones.

You will remember that I first thought you might have been descended from a Bundy lady. Well, here is the relationship of the two Joseph Nelson Chittys:

Your grandfather Joseph Nelson Chitty was a son of a Benjamin Chitty (whose wife was Jane Baker) and the Joseph Chitty that married Ellen Bundy was a half brother to the above Benjamin Chitty. Thus your grandfather, Joseph Nelson Chitty was a nephew of the man I'm interested in. My Joseph N. Chitty must have gone to Illinois before 1850.

I thank you for loaning me this manuscript and I hope you and yours may have happy Hollidays and improved health.

Sincerely yours,

Mrs Herbert E. Brown

THE CHITTY FAMILY IN AMERICA

A Genealogical Sketch

By

Thomas S. Moore - Robinson, Ill.

And

Martha L. Chitty Hollandsworth - Canton, Ill.

1924

BENJAMIN CHITTY, THE FIRST of the family of whom we have any positive knowledge, lived in England, Married Sarah Palmer before the year 1743 and probably never came to America. (One record states that he was born, lived and died in England.--M.L.H.) So far as has been learned, they had only one child, named Benjamin, and who was born in England on March 14th, 1743. He was brought to this country by his mother, then a widow, about the year 1748. They settled at Carroll's Manor, now Graceham, in Frederick, County, Maryland. The widow, Sarah Palmer Chitty, remarried about the year 1749. Her second husband was a man by the name of Tippet and by whom she had one child, Mary Tippet, born at Carroll's Manor, April 11th, 1750. Tippet seems to have died and later the widow became the wife of Samuel Thun (or Toon?). There was one child by this marriage - Samuel Thun, Jr. (?).

Benjamin Chitty (No. 2 above), Mary Tippet and Samuel Thun, Jr., were children of the same mother, though different fathers, making their relationship half brothers and sister.

Mary Tippet was "Phlegerin" or governess in Bethlehem and Lititz, Pa., for 37 years. She was in Lititz in 1789 and in Bethlehem in 1798. She never married and died April 23, 1829.

The exact date of the death of Benjamin Chitty, the first of the name; or of his wife, Sarah Palmer, is not known. This, however, is not material as we are

concerned only with the history of their son, Benjamin Chitty, the second, born March 14th, 1743.

BENJAMIN CHITTY, THE SECOND, probably spent his youth with his mother at Carroll's Manor. On May 23, 1765, he married Mary Padget, a Moravian woman. (The Padgets were early settlers in the province of Maryland. A John Padget, born in Charles County, Md., in 1723, went to the vicinity of Salem, N.C., in 1775, where he died in 1811. The family were probably of German origin, though it is thought by some that they were originally from France as the name is sometimes written "Paget" and pronounced "Pā-zhā". - T.S.M.)

Mary Padget Chitty is said to have been born at Lititz, Lancaster County, Pa., on June 21, 1746. However there is a tradition among the Western Chittys that she was a German emigrant girl who came to America and a member of the Moravian Church, not having the money to pay her passage across the ocean, it is said her fare was paid by Benjamin Chitty, whom she afterward married, May 23, 1765.

Benjamin and Mary Padget Chitty, lived at first, 1765-1769, probably in Frederick County, Maryland, when they seemed to have moved to North Carolina, where on February 21, 1770, their third child, Joseph, was born. They evidently lived at various places in Maryland, North Carolina and Pennsylvania. It is said they went to South Carolina (?) in 1772; to Wachovia, the Moravian province of N.C., in 1773, where they lived at Hope not far from Salem, now Winston-Salem, N.C. In 1799 they are reported as living about Lititz, Bethlehem, and Nazareth, Pa. On December 6, 1799, we hear of Benjamin Chitty being at the Moravian Mission at Gnadenhutten, Ohio. Mary Padget Chitty is said to have died at Lititz, Pa., on May 10, 1788. Her husband survived her and it is said he died at Lititz, Pa., July 12, 1822.

They were the parents of ten children, as follows:

THE BENJAMIN AND MARY PADGET CHITTY FAMILY.

1. JOHN CHITTY, born March 12, 1766, in Fredericktown, Md., on March 17, 1791, he married Maria Margarita Krause (B. Sept. 29, 1771), in North Carolina.

the first of these is the fact that the number of cases of the disease is increasing rapidly in all parts of the world.

The second is the fact that the disease is now being found in many of the most densely populated parts of the world, and in many of the most important commercial centres. This is a very serious situation, and it is one which demands the most careful attention.

The third is the fact that the disease is now being found in many of the most important commercial centres. This is a very serious situation, and it is one which demands the most careful attention.

The fourth is the fact that the disease is now being found in many of the most important commercial centres. This is a very serious situation, and it is one which demands the most careful attention.

The fifth is the fact that the disease is now being found in many of the most important commercial centres. This is a very serious situation, and it is one which demands the most careful attention.

On January 4, 1816, John Chitty married Mary Cook (widow nee Taylor). He was a purse maker and farmer and lived about Bethania, Berthabara, and Salem. ^{N.C.} Died at Salem (?) November 23, 1825. There were thirteen children in the family all by his first wife.

2. ELIZABETH, born May 29, 1768, at Carroll's Manor (?), Md. Probably went with her parents to N.C. Said to have been in S.C. in 1772; in Wachovia, the Moravian province of N.C., in 1777. Married Rev. Nathaniel Baum in Lititz, Pa., on May 18, 1787. Before her marriage she entered the "Sisters House" in Lititz, where her aunt, Mary Tippet, was governess. On June 19, 1797, she and her husband went as missionaries to Jamaica, West Indies, to work among the negroes. Some of the descendants of Elizabeth Chitty Baum still live in Jamaica. She died in Jamaica on January 30, 1800.

3. JOSEPH, born in N.C. on February 21, 1770; possibly at Bethania or Hope in the vicinity of Salem, now Winston-Salem. (Spoken of as Joseph "Nelson" by some of his descendants.) He was married three times. First wife's maiden name was Cooper, and by whom there were three children - two sons and one daughter. Married a second wife (maiden name was Black) in 1806 and by whom there were no children. In 1807, Joseph Chitty married a third wife - Rebecca Vest. (The Vests originally came from France to N.C. Rebecca Vest's mother was a Seisman, now known as Sizemore. Oda M. Sizemore, a descendant, is sheriff of Edgar Co., Illinois, at Paris, Ill., Nov. 1923 - T.S.M.) (It is thought by some that Senator Vest of Missouri, is also a descendant of these Vests. - M.L.H.)

Joseph and Rebecca (Vest) Chitty, shortly after their marriage, removed from N.C. to Ky., possibly to Clay County. Later they lived near Richmond, Madison County, Ky. In 1824, they moved from Ky. to Lawrence County, Ind., where he died on May 10, 1826. He is probably buried in the old Talbott Cemetery one mile south of Bono, Ind. His widow later went to Carroll County, Ill., where she continued to live with one of her sons until her death at Shannon, Ill., in July or August, 1868. Joseph Chitty was the father of eleven children by his third wife. These

with the three children by his first wife make a total of fourteen children. He was a hatter and furrier by occupation.

4. CHARLES, was the fourth child of Benjamin and Mary Padget Chitty and was born in N.C. on May 6, 1772. He married Elizabeth Heckendorn. He was a farmer and it is possible some of these descendants still live in or about Winston-Salem. (For further history see Pp. ²³).

5. DORCAS, was born in N.C. on May 11, 1775. She married David Peter at Bethlehem, Pa., on August 26, 1799. On Sept. 16, 1799, she and her husband went, or were sent, to Muskingum County, Ohio, as assistants to Moravian agents at Gnadenhutzen, where they arrived early in October of that year. She served as housekeeper for the mission agents. She died Aug. 22, 1806, and is buried at Gnadenhutzen, Ohio. Dorcas Chitty Peter was the mother of two children. These were:

1. Maria Peter, born Sept. 17, 1800, at Gnadenhutzen, Ohio. On January 29, 1833, she married Jacob Blickensderfer, Sr., at Lititz, Pa. She was his second wife; had no children; died at Gnadenhutzen, Ohio, Aug. 15, 1840.
2. Dorcas Elizabeth Peter, born at Gnadenhutzen, Ohio, on March 29, 1803. She married Martin Tschudy on April 23, 1821. They had one daughter, Maria Louise Tschudy. The family at one time lived at Oakland, Laclede County, Mo. Maria Louise married Jacob Blickensderfer, Jr., (?) and they lived at Oakland, Mo., in 1895.

6. BENJAMIN was the sixth of the Benjamin and Mary Padget Chitty children. He was born Dec. 27, 1776 (?) in S.C. (?) N.C. (Cherokee District(?)). Seems to have gone from N.C. to Tenn. where he married Nancy (?) James, a widow. They had four children. These were:

1. William F. born in Tenn. in 1824. Wife was ---- Dillard. Moved to southern Illinois. Died in 1885.
2. Alfred P. No data.
3. Dorcas " "
4. Nancy " " (Note - There was a Mr. J.W. Sexton at Apache,

Okla., in 1920, whose mother was Nancy Chitty. Mr. Sexton was born in Waynesboro, Wayne Co., Tenn. Query. - Was Wm. F.C., son of Benjamin Chitty, the grandfather of Mr. Sexton or was he the son of Nancy (No. 4), the daughter of Benj. and Nancy Jane Chitty?

Query No. 2 - Could this Benj. C. have been the ancestor of Capt. Calvin Chitty, U.S.A., who was killed at the battle of Peachtree Creek, near Atlanta, in the Civil War?

7. MARY CHITTY, born April 9, 1779 - Died May 16, 1781.

8. SARAH CHITTY was the eighth of the Benj. and Mary Padget Chitty children. She was born in Hope, N.C., on Dec. 22, 1781. Later her parents were living in Lititz, Pa., and on Aug. 20, 1799 she took the place of her sister Dorcas as governess or housekeeper in Bethlehem, Pa. On Nov. 26, 1801, she married Samuel Luckenback at Bethlehem. She died Jan. 27, 1815. Seems to have had no children.

9. JACOB, born April 5, 1784 at or near Lititz, Pa. (no other data.)

10. MARY MAGDALENE CHITTY, the 10th child of Benjamin and Mary Padget Chitty. She was born July 16, 1787 and was taken from Lititz to Bethlehem, Pa., on Nov. 20, 1798, by Mary Tippet, her aunt and half-sister to her father. No other data in regard to her history.

Chitty went from N.C. to Ind., and joined a Moravian Colony at Hope in Batholomew County ^{Ind.} - perhaps as early as 1830. Here she became the wife of the Rev. Martin Hauser, a pioneer Moravian minister. She is said to have been the original of the Moravian mother in Edw. Eggleston's story "The End of the World." The family later lived at West Salem, Edwards Co., Ill. She was the mother of 11 children - 9 daughters and 2 sons. Some of these, or their descendants are yet living (1923) in Richland and Jasper Counties, Ill. One of her grandsons, Rev.

The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) for arbitrary values of the parameters $\alpha, \beta, \gamma, \delta, \epsilon, \zeta, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi$.

It is shown that the system of equations (1) has solutions for arbitrary values of the parameters $\alpha, \beta, \gamma, \delta, \epsilon, \zeta, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi$ if and only if the following conditions are satisfied:

1. $\alpha + \beta + \gamma + \delta + \epsilon + \zeta + \eta + \theta + \iota + \kappa + \lambda + \mu + \nu + \xi + \omicron + \pi + \rho + \sigma + \tau + \upsilon + \phi + \chi + \psi + \omega + \varphi = 0$.
2. $\alpha^2 + \beta^2 + \gamma^2 + \delta^2 + \epsilon^2 + \zeta^2 + \eta^2 + \theta^2 + \iota^2 + \kappa^2 + \lambda^2 + \mu^2 + \nu^2 + \xi^2 + \omicron^2 + \pi^2 + \rho^2 + \sigma^2 + \tau^2 + \upsilon^2 + \phi^2 + \chi^2 + \psi^2 + \omega^2 + \varphi^2 = 0$.

It is also shown that the system of equations (1) has solutions for arbitrary values of the parameters $\alpha, \beta, \gamma, \delta, \epsilon, \zeta, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi$ if and only if the following conditions are satisfied:

1. $\alpha + \beta + \gamma + \delta + \epsilon + \zeta + \eta + \theta + \iota + \kappa + \lambda + \mu + \nu + \xi + \omicron + \pi + \rho + \sigma + \tau + \upsilon + \phi + \chi + \psi + \omega + \varphi = 0$.
2. $\alpha^2 + \beta^2 + \gamma^2 + \delta^2 + \epsilon^2 + \zeta^2 + \eta^2 + \theta^2 + \iota^2 + \kappa^2 + \lambda^2 + \mu^2 + \nu^2 + \xi^2 + \omicron^2 + \pi^2 + \rho^2 + \sigma^2 + \tau^2 + \upsilon^2 + \phi^2 + \chi^2 + \psi^2 + \omega^2 + \varphi^2 = 0$.

The second part of the paper is devoted to a detailed study of the properties of the solutions of the system of equations (1) for arbitrary values of the parameters $\alpha, \beta, \gamma, \delta, \epsilon, \zeta, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi$.

It is shown that the solutions of the system of equations (1) for arbitrary values of the parameters $\alpha, \beta, \gamma, \delta, \epsilon, \zeta, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi$ are unique and stable.

It is also shown that the solutions of the system of equations (1) for arbitrary values of the parameters $\alpha, \beta, \gamma, \delta, \epsilon, \zeta, \eta, \theta, \iota, \kappa, \lambda, \mu, \nu, \xi, \omicron, \pi, \rho, \sigma, \tau, \upsilon, \phi, \chi, \psi, \omega, \varphi$ are unique and stable.

Walser Allen is (1923) pastor of the Moravian Church at Kernersville, N.C. The elder Allens are missionaries to Jamaica, West Indies, and one of their daughters is a student (fall of 1923) at Salem College, Salem, N.C. Susanna(Chitty)Hauser and her husband, Rev. Martin Hauser, are buried in the Moravian Cemetery at West Salem, Ill.

1. Wm. Edward, son of Traugott, grandson of John and great-grandson of Benj. and Mary(Padget)Chitty, was born on August 30, 1838 at or near Salem, N.C.

The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has solutions for all values of the parameters α and β if the function $f(x)$ is continuous and has a bounded derivative. The second part of the paper is devoted to a detailed study of the properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the solutions of the system of equations (1) are unique and depend continuously on the parameters α and β . The third part of the paper is devoted to a study of the asymptotic properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the solutions of the system of equations (1) have the asymptotic properties of the solutions of the system of equations (2) for arbitrary values of the parameters α and β .

The fourth part of the paper is devoted to a study of the properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . The fifth part of the paper is devoted to a study of the asymptotic properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the solutions of the system of equations (1) have the asymptotic properties of the solutions of the system of equations (2) for arbitrary values of the parameters α and β .

The sixth part of the paper is devoted to a study of the properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the solutions of the system of equations (1) are unique and depend continuously on the parameters α and β . The seventh part of the paper is devoted to a study of the asymptotic properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the solutions of the system of equations (1) have the asymptotic properties of the solutions of the system of equations (2) for arbitrary values of the parameters α and β .

1. THOMAS S. MOORE of Robinson, Illinois, was born Dec. 21, 1850 and died Sept. 9, 1934. He was first cousin to my mother (Martha Jane Conley) and also a first cousin to Harmon Chitty's children. Harmon Chitty married Rachel Moore, a sister of my maternal grandmother, Nancy (Moore) Connelly, and to Christopher Columbus Moore, who was the father of Thomas S. Moore. The last named made several trips to ~~Morgan County~~ Lawrence and Morgan Counties and Orange County, Ind., also to Winston-Salem, N.C. gathering information in regard to the Chittys. He spent much time and effort and money in this pursuit. Harmon Chitty was my father's oldest full-brother.

22 MARTHA LOUISE CHITTY HOLLANDSWORTH of Canton, Ill., was born May 5, 1868 in Yates City, Ill., and died (?) Oct., 1947 in Canton, Ill. I am sure she had many, many more notes on the Chitty family which would bring this record up to date. It is a great pity that she died before her record was typed again or printed into a nice book.

Her National "Number in the N. S. D. A. R. is 127 366.

Both my daughters and my grand daughter are also members."

Dr. Adelaide L. Fries is archivist for the Moravian Church in Winston-Salem, N. C. She has written four volumes on "The Early Moravians in North Carolina".

p. 3 In my exchange of letters with Dr. Adelaide L. Fries, of Winston-Salem, we have learned that Grandfather (JOSEPH NELSON CHITTY) was married to an Anna Maria Krause on June 12, 1792. His name is spelled "Chiddy" in the record. Anna Maria Krause was the daughter of John Krause and a sister of Maria Margarita Krause who married John Chitty, March 17, 1791. John Chitty was grandfather's oldest brother, - he and Maria were married by Dr. Bagge. There were no children by Anna Maria Krause Chitty - she and grandfather were married in June and she died in November 1792; not by the wife who was a Black, whom he married in 1806.
